UP, UP AND AWAY

As students of Austin High School, we search among many opportunities for a beginning to guide us as we go "Up, Up and Away with the Austin of Today." Inspired by the times, our theme presents Austin in a fresh, new light as students go Up, Up and Away With Classes, Activities, and Sports.

We establish the framework of our future through academic achievement, social experience and athletic participation. These opportunities, gained through participation in Austin's high academic and social programs are invaluable as we pursue our goals and maintain our never-ending quest for perfection.

To obtain these objectives, students rise toward higher academic levels as they go Up, Up and Away with Classes. For each of us, education is our chief goal and it can only be reached through our own efforts and achievements.

Students gain the treasure of experience as they go Up, Up and Away with Activities. Participation in clubs and organizations stimulates creativity, enriches our understanding of others, and provides individual development.

In going Up, Up and Away with Sports, we meet both mental and physical challenge through recreation and competition. Development of character is obtained as we work together for total success.

Whether we follow a liberal, technical, or vocational program, our educational experiences will be invaluable toward the success of our future. Our aim of excellence is not a distant dream but draws nearer as we fulfill our goals and reach toward an enriching and rewarding life as we go "Up, Up and Away from the Austin of Today."

The new inter-communication system installed this year makes it possible for better communication throughout Austin High School.

Dear Graduates,

"Up, Up, and Away!" Of all years in history, this school year 1968-69 has been most significant. A dream has come true, and three human beings have been in orbit around the moon and returned! Twenty pupils from our school met and conversed with these astronauts when they visited Chicago after their historic flight.

Shades of Lief Erickson, Marco Polo, Columbus, Magellan, Lewis and Clark! We not only can read history—we can see it made and can shake the hands of our space explorers.

Yes, we have reached the orbit of the moon. Yet our task also is to reach the hearts and minds of all our people. Our society has given us a glorious heritage of democratic ideals, national aspirations, and technological skills. At the same time we have inherited misunderstanding, injustice, and bitterness.

As an educational institution, we have accepted our obligations. Every student in Austin High School is respected as an individual with abilities, rights, and obligations. To balance our rights from society with out obligations to society becomes the paramount problem.

The social and civic problems of our times will not be solved in N.A.S.A. Headquarters in Houston. The solution will be found in schools such as Austin High. When we finally send our astronauts to the planets, may they represent a society of which we can be proud. May we point with pride, at that time, to equality of opportunity, to justice and fairness to all persons in a wholesome and vigorous society of healthy individuals.

The time will come when our young people will greet the astronauts returning from Mars, Venus, and Jupiter. They may even greet astronauts returning from the planets of Alpha Centauri. We want these space explorers of the future to represent a society worth exporting to the farthest star cluster of our galaxy—a model for all sentient beings of the universe.

Congratulations to all of you as you—"Take off" from Austin on your life's ventures.

Sincerely,
Dorothy L. Martin

SPORTS

Austin invites all its students to become active in a wide range of sports. Through participation in athletic events, whether in the gym or on the field, students develop discipline, character, and good sportsmanship —so important to the success of the team. Taking an active part in any field of sports is an important part of every student's development for it strengthens him both mentally and physically and prepares him for a healthier, happier future. The Homecoming, the highlight of the sports season, launches a new beginning for Austin students to become unified through the excitement of making floats, marching in the parade, and cheering our Tigers on to victory. Then, throughout the year, Austin goes *Up, Up and Away With Sports.*

Austin shows its offensive power in Quarter-Final Play-off Game.

John Ross scrambles despite Lakeview's hot pursuit.

Ralph Sanders turns corner to pick up yards against Lane.

F. Vester (67) and D. Thomas (77) of Austin's defensive unit jump on the ball to prevent a Morgan Park touchdown.

Northwest Red Division high scorer, Jesse Howard (32), picks up a first down against Lane.

VARSITY FOOTBALL TEAM

Hit 'em high, Hit 'em low, Go! Go! Go! That was the spirit both on the field and in the stands throughout the 1968 football season of the Austin Tigers.

Unity and discipline kept the Austin Tigers alive from mid-September to early November, and all the way to a playoff berth, a position which many people thought the Tigers would never see.

Behind the Tigers pursuit was the guidance of Head Coach Bob Rio, in his third season of coaching our Tigers. Along with him were Line Coach Ron Rio, and Backfield Coach Mike Vaia. Their coaching demands were fully executed by the tri-captains Jim Haas, Jake Thorton, and John Nee.

Prior to the regular season the Tigers were 1—1 in exhibition games. Bad breaks and a few mistakes resulted in Austin losing their first exhibition game to Notre Dame, 31—21. However, the Tigers quickly came back and rolled over Tuley 34—0. Since the Notre Dame game was the first night game in many years, it accounted for the enthusiasm found in the stands among students and many alumni.

With the short, four game season now coming up, the Tigers knew they must at least break even to make the playoffs. However, our encounter was against an overpowering Farragut team, which beat us 22—6.

Our hopes were up again within two weeks of the Farragut game when our homecoming game against Schurz was to be played. Homecoming '68 was played to a 7—7 tie, however for playoff purposes it was as good as a win for us. Statistics showed Austin a winner!

With two games remaining, Taft and Lane, we would need only to be victorious against one of them to make the playoffs. This was done in the very next game. Taft was Austin's victim by a score of 21—6.

The finale of the season was the Austin-Lane game. This game has seemed to be a traditional hard-fighting battle. The last few minutes of play found Lane crossing the goal line for the second time, thus beating Austin 14—7.

With the regular season now over, the Tigers looked hopefully to their first playoff game against Lakeview. Our offense and defense both rose to the occasion, as Austin trounced Lakeview 41—7.

With high hopes from their Lakeview victory, the Tigers were then anxious for the quarterfinal game with Morgan Park. However, this was as far as we went. For on that cold and gloomy Saturday afternoon, Morgan Park blanked Austin 6—0, and hopes of being City Champs vanished away.

However, the spirit of the Austin Tigers for next year is *Up;* the hopes of Austin are *Up;* and *Away* we go to an even greater 1969 season.

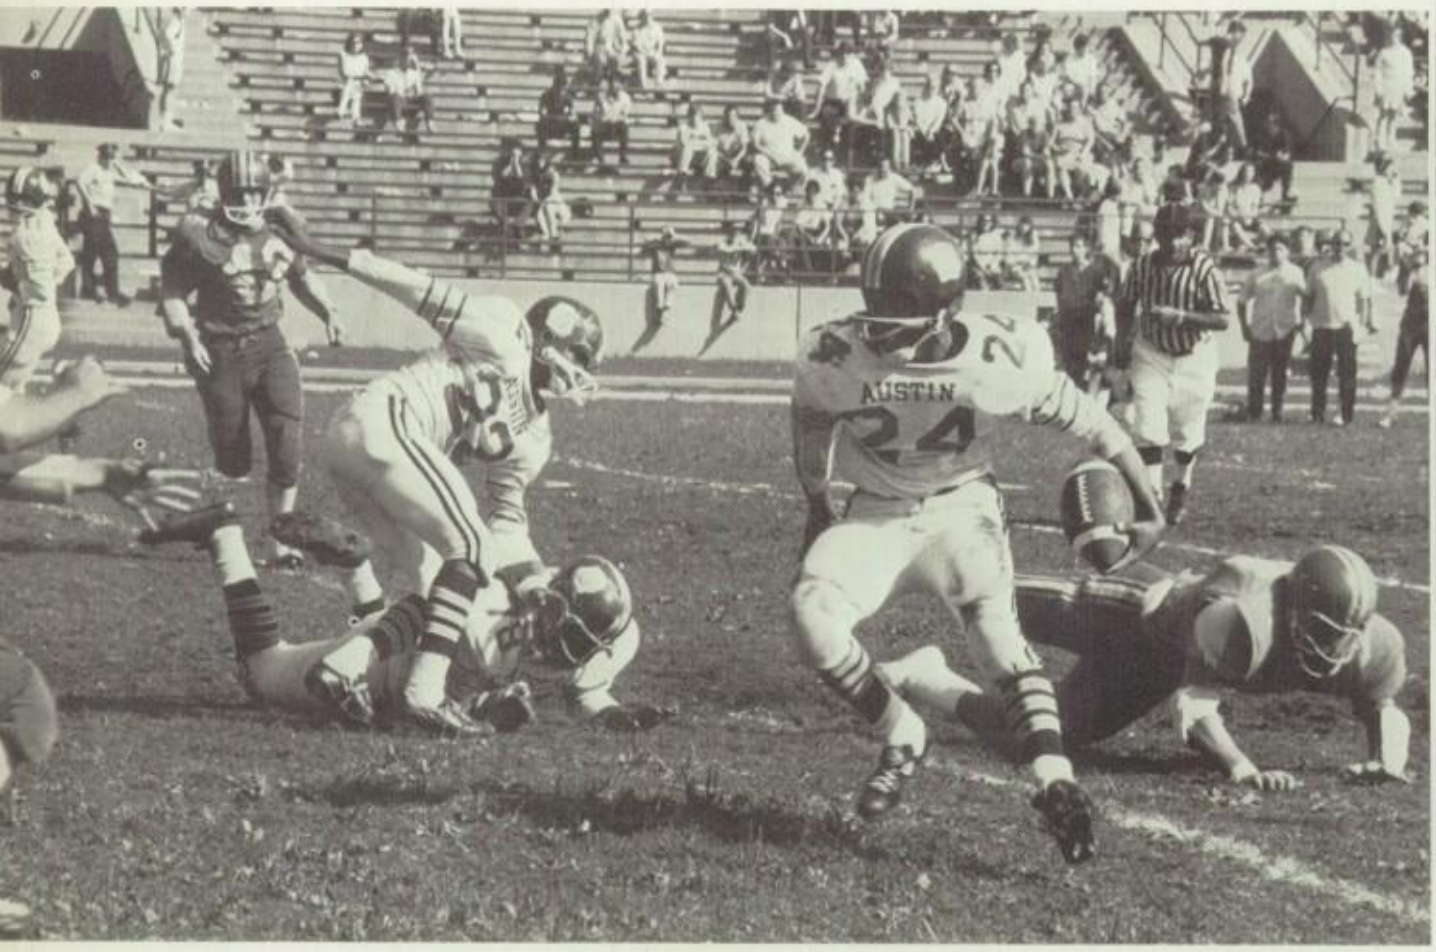
FOOTBALL TEAMS



Ralph Sanders gets pressure from a big Schurz line.

Fullback Jessie Howard gets the blocking needed to score against Lane.

An alert defensive move causes a Lane fumble.

The Defensive Front Four, J. Bell (78), D. Thomas (77), C. Robinson (88), and J. Hass (55) throw Farragut for a loss.

The offensive linemen make an opening for Ralph Sanders in our Homecoming Game.

Junior half-back, Willie Swims, breaks away for a 60 yard run.

Jim Blassingame (11) hands the ball off to Jesse Howard (32).

Tri-Captain, Jake Thorton (21), gets help from Tri-Captain, John Nee (64), on punt return.

Kelvin Wallace (40) gets the opening kick-off in the Morgan Park game.

John Ross (12) gets this punt away despite the onrushing Morgan Park lineman.

FROSH-SOPH FOOTBALL

The Frosh-Soph Football Team Went "Up, Up, and Away" as the Northwest Red Division Section Champs. The team did not need one superstar to rely on to score, but by combining the talents of all the boys in a tightly knit unit, they created a super team.

Our first game was against Steinmetz. We beat them, but not by any ordinary score: 56—0! To win by a score like that, team-work not luck was on our side.

In the Taft game, both the spirit from the all-important varsity victory, and the team desire for success, sparked the boys to win 20—6.

Being the champion of the Northwest Red Division Section shows the caliber of the boys who will play on our 1969 Varsity Team. If they continue with their fine performances, next season's outcome will be extremely rewarding.

BASKETBALL

The highlight of Austin's basketball season was returning to the Northwest Red Division—the toughest in the league. The key to the Tigers' success was in their shooting and rebounding ability. This year's team had 9 senior lettermen and 4 underclassmen with letters sinking baskets for our team. Because our team was fairly small compared to others in our league, the best way the Tigers were able to succeed was by their aggressiveness and fine shooting ability. Next year five frosh-soph players and four returning lettermen will step up to the Varsity squad.

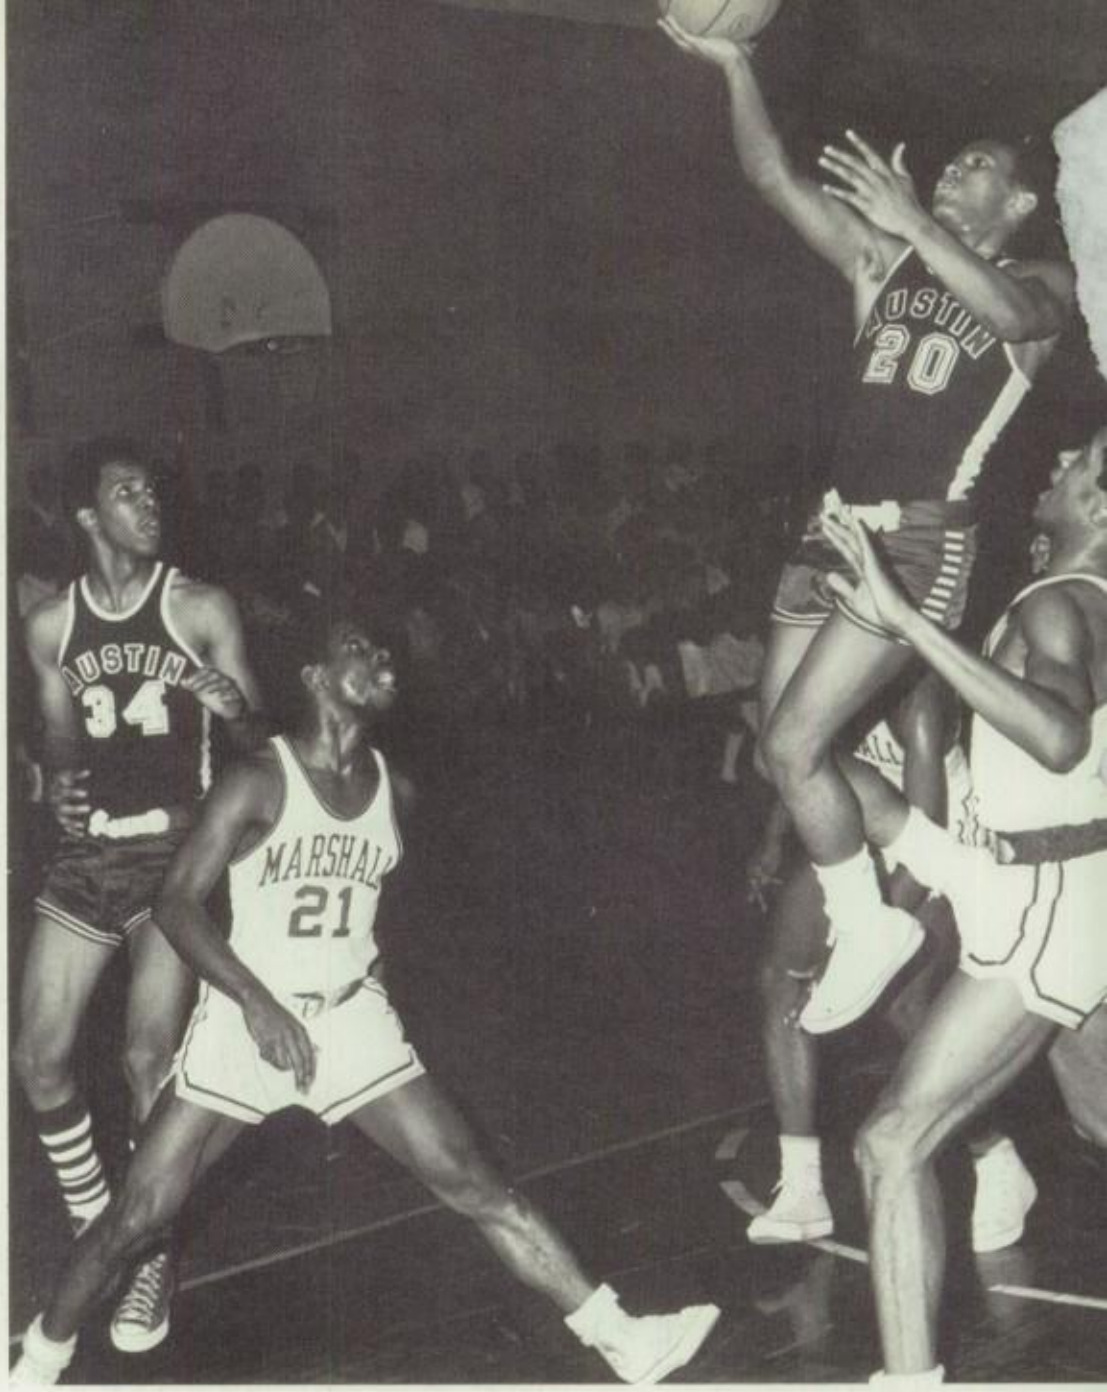
FROSH-SOPH BASKETBALL

Austin's Frosh-Soph Basketball Team is making a good showing in the Northwest Red Division. The boys being produced by the coaching of Mr. Peckler will be a fine addition to the Varsity squad.



Charlie Love (20), co-captain of the team is shown earning his keep by scoring two points against Marshall.

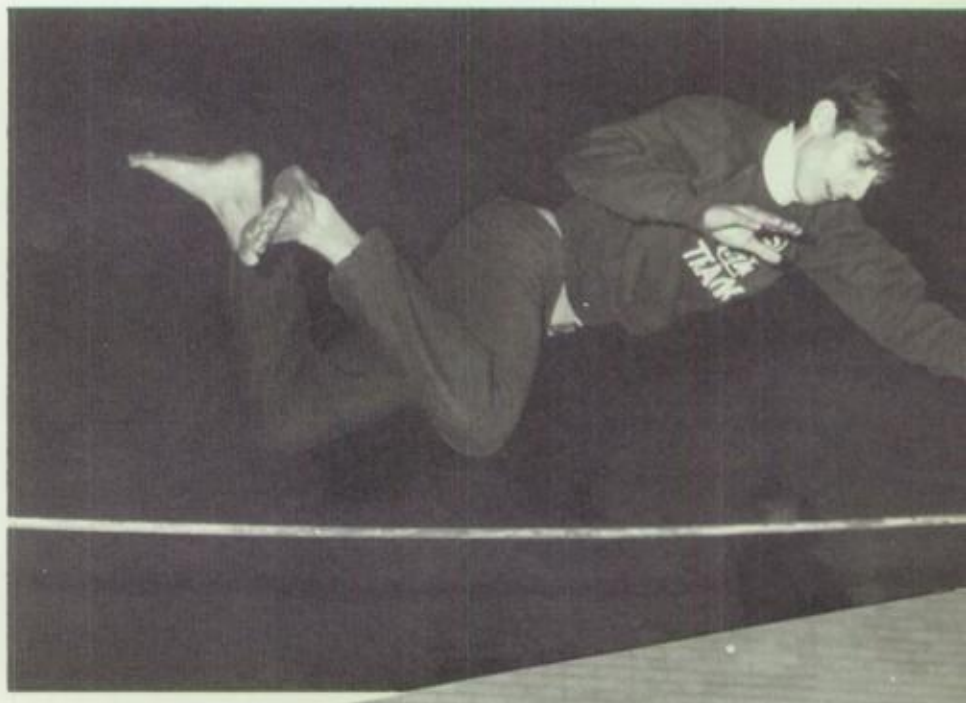
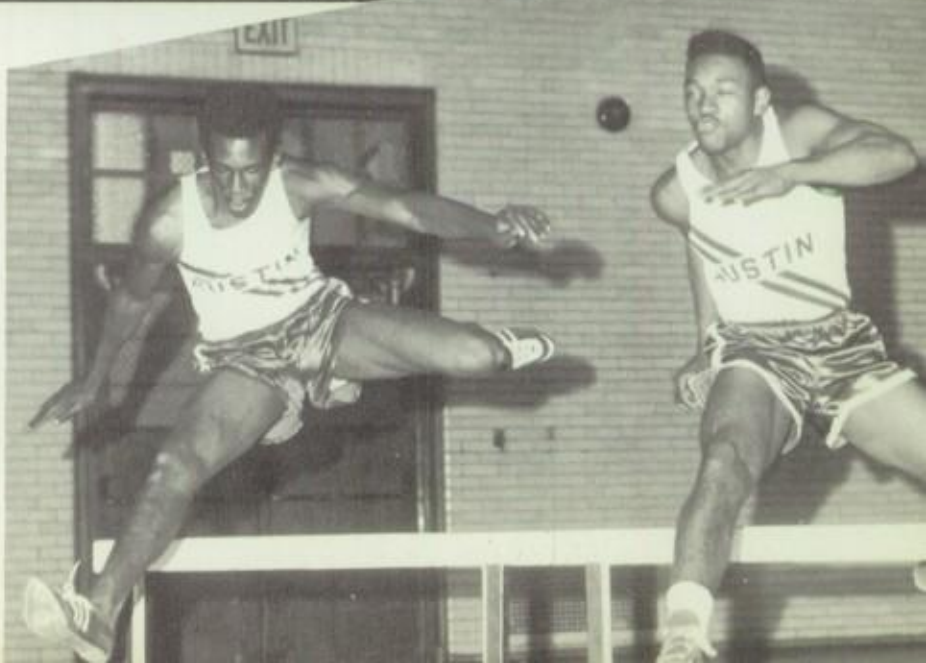
Trackmen Banks and Robinson demonstrate effort in hurdling.

Austin speedsters, Howard and Blake, demonstrate breakaway from the starting block.

TRACK TEAM

The 1968-69 Track Team, under the direction of Mr. Phillip Lifshin, has fared well through a tough season of competition. Victories can be accounted for by the fact that so many experienced lettermen returned with the desire to make this a good year. Although many boys will graduate, the spirit and skills of the team have been instilled in the younger members and will motivate them to a successful season next year.





BASEBALL TEAM

Shortstop Andy Kesseg makes the throw to first base.

First baseman Wayne Carter stretches for the ball.

Senior Willie James eyes a high pop fly.

Pitcher Bob Celler makes a fantastic catch!

BASEBALL TEAM

Austin's 1968 Baseball Team, with captain Bob Redmond, finished third in the public league west-section with a league record of 8—7. The Tiger nine has a respectable overall mark of 18—13. All city honors were achieved by Bob Redmond, a graduate, and Pete Talbot, a returning senior.

This year with more experience, Coach Gary Peckler and his duo-captains: Wayne Carter and Andy Kesseg, will lead the Tiger team into a playoff berth and a possible trip to Peoria for the state championship.

Members of the varsity Squad (L to R) T. Houser, J. Composono, start for a race.

SWIM TEAM

Enthusiasm and determination was responsible for a good season by the Austin Swim Team flanked primarily with seniors and a few outstanding underclassmen. The seven lettermen who returned from last year's team maintained Austin's tradition of a fine athletic organization by spotting a record of sixteen wins and three losses. The tradition of winning will not die upon the graduation of the Varsity team, but will be continued by the Frosh-Soph boys who step up in the ranks to represent Austin.

VARSITY "A"

The Varsity "A", under the sponsorship of Mr. Sullivan, is an exclusive club for boys who have shown exceptional skill in football, basketball, baseball, track and all other sports. The club is designed to unite all these major letter winners into a body of fellowship as they serve Austin by helping to promote school spirit and attendance at games. The boys receive a Varsity "A" letter for their fine athletic ability, true sportsmanship, and service to Austin.

MAJORETTES

MAJORETTES

The Majorettes, sponsored by Mrs. Swanson, play an important part in promoting school spirit and leading our Tigers on to victory. They perform during half-time at all football games wearing Maroon & White uniforms, and also march in many parades, including the Homecoming. This year the girls sponsored Singing Telegrams at Christmas. The Majorettes inspire students to go Up, Up and Away With Sports of Today.

CHEERLEADERS

"Up, Up and Away With Sports" is the theme of our cheerleaders as they proudly lead the cheers and applause for our fighting Tigers. On the football field or in the basketball court, their enthusiastic yells and energetic jumps really rouse school spirit. Cheers this year are marked by dynamic beats and claps.

Cheers are in the air—
with the cheerleaders at games,
School spirit is there—
with the cheerleaders at games.
All can shout a cheer and let them hear—
our victory song—
For we will win—we will win!

G.A.A.

The Girls' Athletic Association is an organization that guides girls into being better persons socially and physically. Under the direction this year of Miss Markos, G.A.A. promotes good health and sportsmanship in all girls who participate in its many activities. Included in its busy schedule were splash parties, skating parties, bike hikes, a Christmas project supporting a foster child, and the Awards Banquet, which highlights the end of the year. At this banquet, awards are given out for points including a 400 pt. patch, 800 pt. major letter, and a 1200 pt. gold bracelet. Being a member of G.A.A. is not only busy and fun, but it is an enriching and valuable experience. By building strength and character, and leading girls to reach for higher goals, G.A.A. is certainly an organization that is going *Up, Up and Away With The Austin of Today.*

PEP CLUB

PEP CLUB

The Pep Club, under the direction of Mrs. Stone, stimulates school spirit and promotes greater attendance at athletic events.

Games are much more fun—
with the Pep Club in the stands,
Teams are on the ball—
with the Pep Club in the stands.
With voices loud and shakers high—
it's victory,
Oh, we can win—we can win!

The Pep Club is a great boost to all as they lead us Up, Up and Away with Sports.

GIRLS' BOWLING LEAGUE

GIRLS' BOWLING LEAGUE

Under the skillful direction of Mrs. Lowry, the Girls' Bowling League provides girls with an opportunity to learn an enjoyable sport through group participation. While competing and having fun, the girls develop good sportsmanship and valuable bowling skills. The Bowling League is a year long G.A.A. activity and trophies are presented at the G.A.A. Awards Banquet. By learning, growing, and having fun, members of the Girls' Bowling League go Up, Up and Away With Sports of Today.

ROTC

Austin's Reserve Officers Training Corps seeks to develop in its members a sense of responsibility, leadership ability, and high moral character. Under the direction of MSG Rudicil, Senior Military Instructor, the ROTC consists of battalions, companies, platoons, and squads which form the basis for compulsory military training. The Color Guard, The Drum and Bugle Corps, and the Special Drill Team participate in many school assemblies. The entire ROTC proudly leads our students in the Homecoming Parade. In May the Corps faces Federal Inspection and marches in the Memorial Day Parade. In June, they participate in the Cadet Day Parade. The Military Ball, a new and elegant event which was held on February 14, was the highlight of the year.

ACTIVITIES

Up, Up and Away With Activities illustrates the wide variety of extra-curricular opportunities offered at Austin. Among the many clubs, organizations, and musical groups, the Orchestra provides excellent musical opportunity for developing musical skills and experience in performing at many programs. Through participation and service to the school, students broaden their horizons and look ahead to an enriched future.

Clubs are on the go—at the Austin of Today;
Students in the know—at the Austin of Today.
We can sail along to futures strong with heads up high—
For we can fly—we can fly!

GIRLS' CHORUS

GIRLS' CHORUS

The Beginning and Advanced Girls' Choruses, under the direction of Mr. George, provide musical enjoyment for Austin students. The Girls' Chorus aims to give its members the opportunity to learn how to express themselves through song. The girls gain first hand experience by learning the importance of harmony, cooperation, and communication through voice training. They participate in All-City Choral Competition, the Christmas Concert, and the Spring Concert. By providing the school with music, the Girls' Choruses are "Up, Up and Away With The Music of Today."

MASQUE AND GAVEL

Under the sponsorship of Mrs. Frances Bessert, the members of the Masque and Gavel present plays for the enjoyment of their audiences and the cultural development of each participating student. The production of a play requires a unified and creative group effort and it is through this effort that M & G members acquire a sense of co-operation and responsibility. The study of plays inspires a keen interest in human beings and the way in which they meet their problems. This year, M & G put on two one-act plays: "The Stolen Prince" by Dan Totheroh, directed by Miss Weinstein and "Good-bye To The Clown" by Ernest Kinoy, directed by Jerry Goodman. All members of M & G work hard on and benefit from the production of a play, whether it be acting, working backstage, building scenery, or making costumes.

DRIVER EDUCATION

A key element in national traffic accident prevention is the proper education of the driver before he is granted an operator's license. High schools afford the best place to reach the largest number of potential drivers. Under the direction of Charles Sullivan, effective educational aids are used and mature driving attitudes are developed. Students realize that in the Driver Education program "an operator's license is a privilege you are given, not a right you have."

English students get inspiration for writing poetry through listening to music.

Combined efforts from the art and drama departments are used in creating a successful assembly.

Music classes give students an opportunity to appreciate "Music in our Times".

These violinists take music very seriously as they strive for perfection.

DEPARTMENTS

A new Dictation Laboratory proves helpful to shorthand students.

Typing and shorthand skills are more readily learned due to our new laboratory equipment.

Dissecting clams is one of the many assignments in Advanced Biology.

Science students explore internal functions of various animals.

DEPARTMENTS

Students learn the laws of physics by doing experiments in our new science laboratories.

Learning to use the slide rule is an important part of math classes.

Students in Spanish classes learn the language and culture.

Math students study the wonder of lines, figures, and angles.

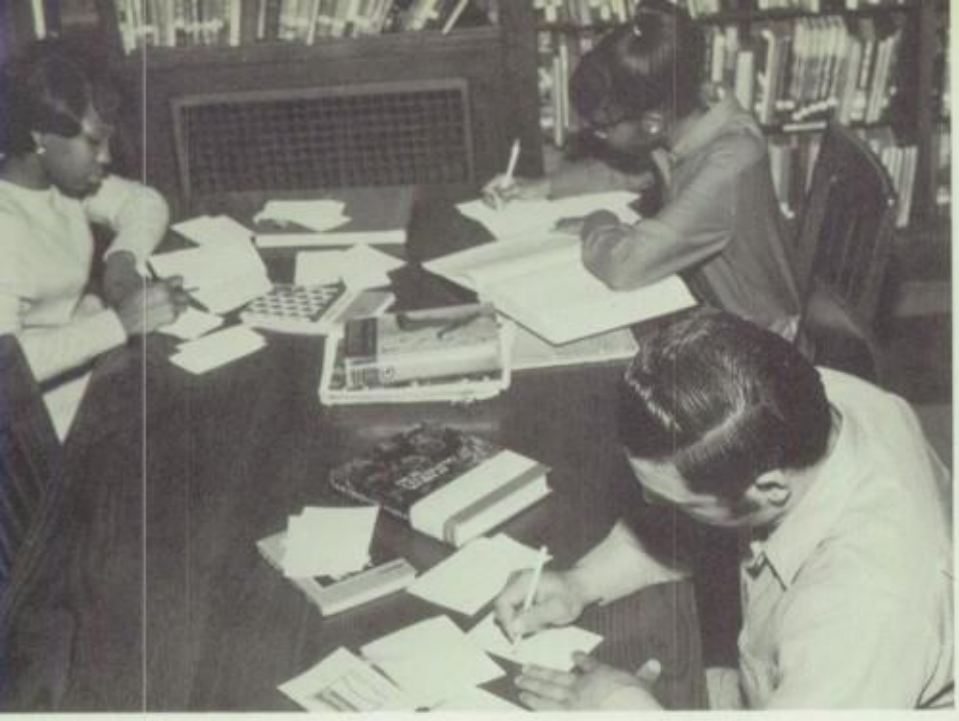
Contemporary American History provides the knowledge and background of our changing world.

Information for research papers is easily obtained by students at the library.

DEPARTMENTS

Students do extensive study of maps in the social sciences.

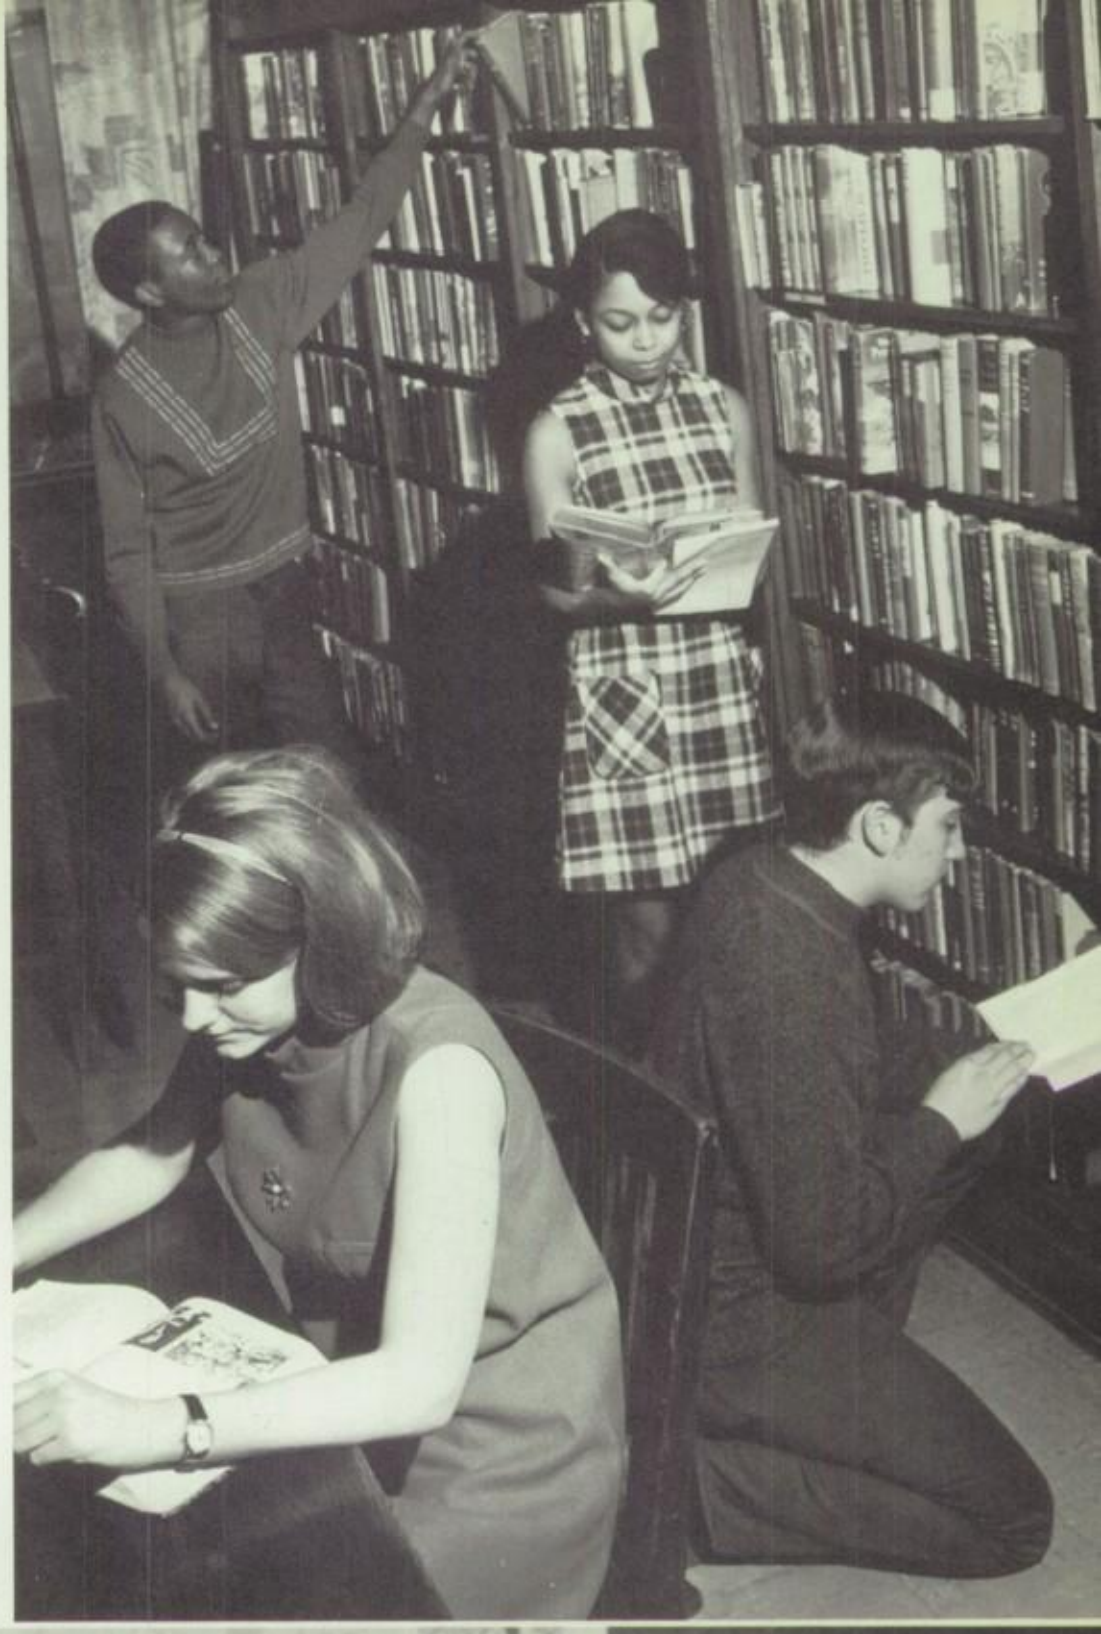
The library provides a relaxed atmosphere for students.



During free periods, students are allowed to use the library for studying.

DEPARTMENTS

Students who come to the library during study periods are able to use books for references.



Students find history interesting and challenging.

GRADUATES

After four years, the class of 1969, amid a flurry of activities graduates and leaves Austin with mixed feelings: happiness in looking ahead to the future, and sadness at leaving behind all the events that are an intricate part of high school life. Now they are going on to attain the goals they have set before them, to reach their ideals, and to make something of their futures. They will be successful, for the experience they have gained at Austin is invaluable. We say congratulations and farewell to the graduates of 1969 and wish them luck as they go *Up, Up, and Away From the Austin of Today.*

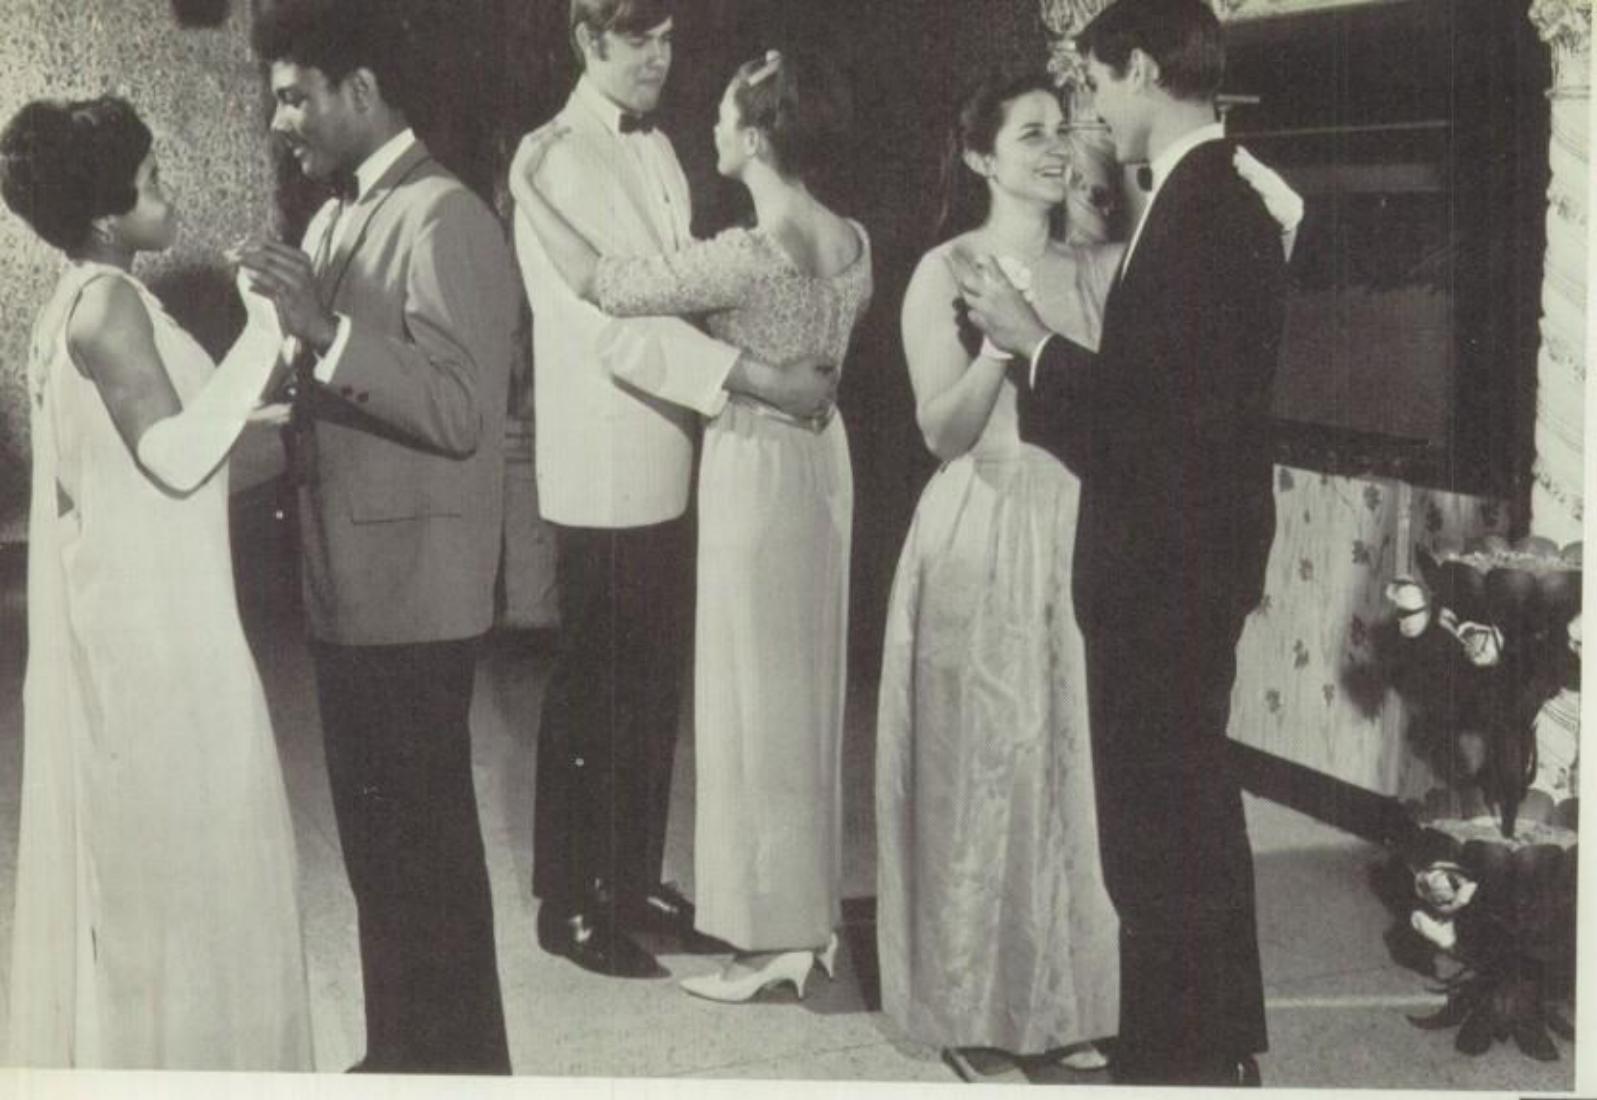
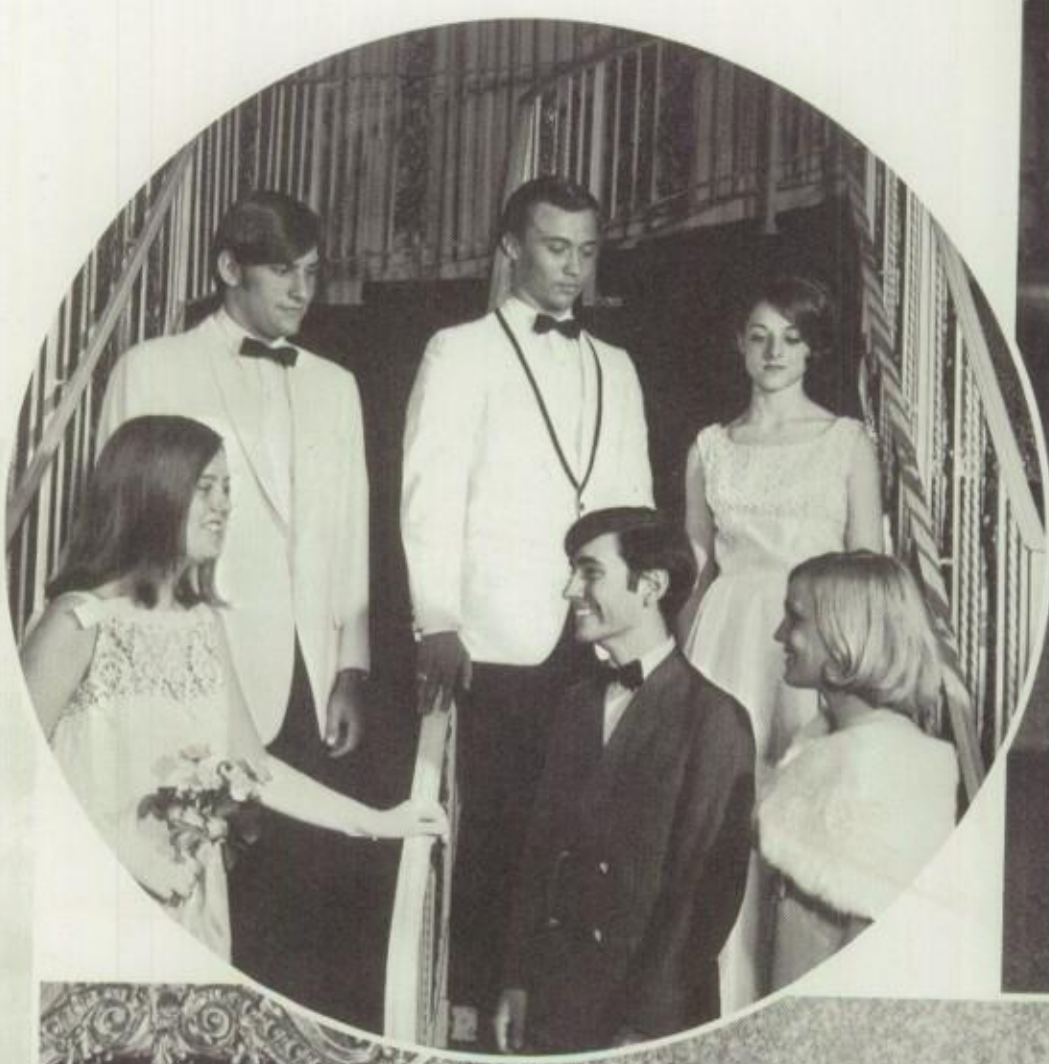
JUNIOR DINNER DANCE

JUNIOR DINNER DANCE

A new tradition was inaugurated last year by the Class of 1969. The newly elected Junior Class Officers organized a highly successful Junior Dinner Dance held at the Royal Gardens. Couples enjoyed a delicious dinner and danced to the music of a popular teen combo. The yellow rose as the class flower and green and yellow as the class colors combined to make the evening one of "Moonlight and Roses."

SENIOR





PROM

The "Look of Love" theme created the elegant atmosphere of the Senior Prom. On May 28th couples danced in the beautiful ballroom of the Sherman House which was decorated with white roses, the class flower. Amid all the excitement, the traditional Garter Dance added sparkle to a memorable evening. Beautiful gowns, striking tuxedoes, and soft lights enhanced the "Look of Love."

SENIOR PROM

HOMECOMING

The 1968 Austin Homecoming, held on October 12, was by far a successful event. The festivities of the day began at 10 a.m. at Merrick Park, at which the floats assembled. The theme for the floats, which were displayed in the traditional parade, was the title of popular songs. The parade left the park and proceeded down Central Ave. towards Hanson Park where the game was played. Floats were judged at half-time and the game against Schurz was played to a 7—7 tie. The day ended with the Homecoming Dance held in the Boy's Gym. Music was provided by the Sonics and the queens and winning floats received their trophies. Everyone enjoyed the exciting day which marked the end of months of work and planning. The 1968 Homecoming will be remembered by all for a long time to come.
